

## SOIL AMENDMENTS

		Regular Price	HS Partner	HS Premium	
• ECO-MIN®	ton	\$440	\$410	\$380	Minerals and trace-elements to remineralize soil.
• BaseCoat-O®	ton	\$850	\$800	\$750	Slow-release minerals, trace-elements and humus.
• Dry HOGh®	lb	\$0.70	\$0.60	\$0.50	High-grade humic and fulvic acids from Humalite ore. Improves fertilizer efficiency. Helps maintain high-quality yields with fewer inputs.
• Liquid HOGh®	gal	\$8.50	\$7.50	\$6.50	
• HOGh® PLUS	gal	\$15	\$14	\$13	Liquid humic acids with natural stimulants and conditioners. Improves soil + plant performance.
• SSP (1/8" - screen)	ton	\$380	\$360	\$340	Natural blend of soil-acidifying agricultural minerals. Rapidly produces acid to lower the pH of alkali soils.
• SSP Liquid	gal	\$1.65	\$1.60	\$1.55	Filtered solution added to irrigation water to neutralize bicarbonates and reduce pH.
• VayaSal®	gal	\$45	\$43	\$41	Acid to help develop healthy plants in saline soils. Moves salt from rootzone. Stimulates growth.

## SPECIALTY FERTILIZERS

		Regular Price	HS Partner	HS Premium	
• HS® 0-0-15	gal	\$6.75	\$6.25	\$5.75	Readily available source of potassium for soil application. Fast absorption. Organically complexed.
• Crown Booster®	gal	\$38	\$32	\$28	Chelating complex loaded with micronutrients. Helps plant absorb minerals during root/crown formation.
• Nachurs® 3-18-18	gal	\$9.75	\$9	\$8.50	Utility liquid fertilizer. 100% orthophosphate. Low salt index. Near-neutral pH. Chloride-free.
• Neptune's Harvest® Fish Fertilizer 2-4-0.5	gal	\$9	\$8.25	\$7.50	Fish hydrolysate. Cold processed to protect vitamins, amino acids, enzymes, growth hormones and micro/macro nutrients.
• Stress Fighter 1-25-24	gal	\$27.50	\$26.50	\$25.50	Foliar spray used to reduce the impact of stress caused by fruiting / picking / heat.
• Custom Micro-Nutrient Blends	Micro-nutrient blends customized to address the specific needs of your field or crop -- (B, Ca, Cu, Fe, Mg, Mn, Zn). Contact us for recommendations + pricing.				

**HS Partner:** Subscribes to Annual AME® Program on at least 50% of cultivated acres.

**HS Premium:** Subscribes to Annual AME® Program on at least 90% of cultivated acres.

= **Approved for Organic Crop Production. Registered CDFA-OIM.** Complies with 7CFR (Code of Federal Regulations) Part 205 USDA National Organic Program (NOP).
